

Total Donations Now Exceed +\$50,000

For MFFM the North Florida Frozen Refrigerated Food Assn. visited Wolfson's Children's Hospital on a "modified visit" due to the current Covid-19 virus restrictions. NFFRFA has Because of COVID-19 restrictions were not allowed into the hospital to visit with the children. WCH requested that NFFRFA please limit the attending members to 4. Our Presentation was conducted outside on the main entrance walkway

### WCH = Hope Starts Here

As a not-for-profit hospital that treats all children regardless of ability to pay, Wolfson Children's relies on donations to provide lifesaving care. We need your support to provide the doctors, facilities and innovations that give kids the best chance for hope, health and happiness
