The Slammer & Squire course is located in the heart of our golf resort near Jacksonville, Florida and is one of St. Augustine Florida's favorite golf courses. This 18-hole championship resort course was designed by Bobby Weed with design consultants Sam "The Slammer" Snead and Gene "The Squire" Sarazen.

COURSE HISTORY

The Slammer & Squire course officially opened to the public in May 1998 and has become a favorite Jacksonville Florida golf course and features two distinct nines with generous fairways, contoured greens, and plenty of water hazards along with impressive views of the World Golf Hall of Fame. The course was the host site of the Liberty Mutual Legends of Golf, a Senior PGA TOUR event and hosted an array of other golf events such as the LPGA Senior Tour's Honda Cup
